

Anoto secures Additional Order and a new Technology Licensing Contract from Japan

Lund, August 4, 2016 - Anoto signed a new agreement in Japan with regards to the Japanese Insurance company project for 4000 pens and 6000 cradles. Total transaction value of the contract is over USD 1.5 million.

In addition, Anoto entered into a Technology Licensing and Cost Sharing contract for the existing LP2 Pro pen and the cradle sets for maintenance and service of the previous order. The transaction value of this contract is approximately USD 2 million.

"We are truly honored to be awarded additional pen and cradle contract, overcoming the difficulties in the production and subsequent delays. I would like to thank our Japanese partners who stood by us and worked with us to ensure success," said Joonhee Won, CEO of Anoto.
