

Anoto

Proposed new members of the Board of Directors

Anders Sjögren

Former CTO of Anoto Group

PhD in Physics, lasers and optics from the Faculty of Engineering at Lund University

Currently CEO of Enersize Ltd where he is heading the transformation of Enersize group to become the leader in its market with a unique SaaS that enables management and control of compressed air systems

CTO of Lumito AB where he is working to attract investor capital to start up an exciting new business based on patents around in-vivo and in-vitro imaging techniques using up-converting nano-particles (UCNP)

Steve Kim

CTO of Anoto Group

Master of Science in Engineering (M.S.E.) from Seoul National University

Expert in hardware system design and manufacturing

Developed a satellite radio, an image processing chip, a DNA detection kit, PDAs, and multimedia signal processors

Henrik Hammarskiöld

Civilekonom (graduate in business administration and economics) from the Stockholm School of Economics

Worked in international banking between 1982 and 1999; with Bankers Trust Company; with the Chase Manhattan Bank as country manager for Sweden & Finland; and as deputy Managing Director for ABN AMRO Bank Stockholm branch

Communications consultant from 1999 at Gramma AB, partner and co-founder from 2004 at Hammarskiöld & Lundqvist AB, and from 2011 at Springtime. Founder and owner of HNOF AB since 2013

Associated with G&W Fondkommission
